OBJECTIVE

Film major at Georgia State University with hands-on live-production camera experience and certifications in Design & Media Production and Animation Technology. Seeking a camera, production, or sports media internship to contribute to professional productions while building broadcast and post-production skills.

EDUCATION

Georgia State University, Perimeter College — Clarkston, GA
Major: Film — *Expected May 2030*

Atlanta Technical College (Dual Enrollment) — Atlanta, GA
Design & Media Production; 3D Animation & Modeling — *2024 – 2026*

- Certificate: Animation Technology (May 2026)
- Certificate: Design and Media Production Specialist (May 2025)

Promise Career Institute — Atlanta, GA
High School Diploma — *May 2026*

PRODUCTION EXPERIENCE

Camera Operator — 2024 – 2026
Promise Career Institute

- Operated tripod-mounted Panasonic AG-CX350 4K camcorders for basketball games, school events, and live-streamed productions, capturing real-time footage for online audiences
- Tracked fast-paced basketball action to deliver clear, well-framed live game coverage
- Collaborated with student production crew on camera placement, shot framing, and setup before each broadcast
- Adapted quickly to changing venues, lighting conditions, and event schedules

Volunteer Videographer — 2026
Elementary School Theater Production

- Recorded a full elementary school play as a volunteer, handling camera setup and framing to capture performers and stage action throughout the show

WORK EXPERIENCE

Sales Associate — Oct 2025 – Present
DSW (Designer Shoe Warehouse)

- Assist customers with product selection, sizing, and questions in a fast-paced retail environment
- Process cash and card transactions accurately and efficiently at the register
- Restock and merchandise sales floor and clearance displays to keep inventory organized and accessible
- Rotate among register, sales floor, and stockroom responsibilities based on daily store needs

SKILLS

Software: Adobe Photoshop, Adobe Illustrator, Canva, Autodesk Maya, 3ds Max
Production: Camera operation (Panasonic AG-CX350 4K camcorder, tripod), live-stream production, 3D modeling and animation

ACTIVITIES

- Track and Field Team, Creekside High School (2022 – 2024)
- Real Estate Club, Creekside High School (2022 – 2024)
